Getting to know you - Will Rhind, Conference Crew

Long standing Rotaractor, William Rhind from Wimbledon in London, had no reservations about volunteering to help with EUCO 2008 after the August 2006 RGBI Council meeting, pending the successful bid. His enjoyable experience of previous ERIC Meetings made him want to be a part of this excellent event.

Why did you join Rotaract and how long ago?

7 years ago, upon leaving university I looked for something that had RAG appeal (UK University's Charity work) which I had enjoyably been involved with there.

Which ERIC Meetings have you attended before?

Celje (Slovenia, Sep 2004), Bursa (Turkey, Jan 2005)

What are you doing to raise awareness of EUCO in your District (D1140)?

I am doing a sponsored walk between each meeting venue of our Rotaract clubs, approximately 70 miles over 2 and a half days! Details will be posted upon the EUCO website, so keep you eyes open for that!
